SLEEP VARIA system - 2024

**SLEEP VARIA**

is a modern built-in system for small and large bedrooms, thanks to which you can easily create a wardrobe or a customized wall unit or a practical built-in around the bed.

**Side and top boards**

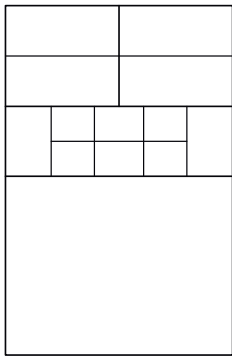

The use of side and top boards of different sizes on the sides of the built-in, as well as between the top and ceiling, makes it possible to personalize the built-in perfectly.
