The new collection of mattresses

Dream by NEW ELEGANCE

is an offer for those who want to sleep soundly, comfortably and beautifully.

We have prepared 7 new designs - 4 of them are hybrid foam-spring mattresses and 3 are foam mattresses. When forming the inside of our mattresses, we used the latest available technologies and materials, thanks to which every user will find a mattress suitable for them in our offer.

We took care of your health - by providing adequate support for all body parts, comfort - by varying the hardness of our mattresses and hygiene - by using breathable fabrics and ventilation nets for the production of covers.

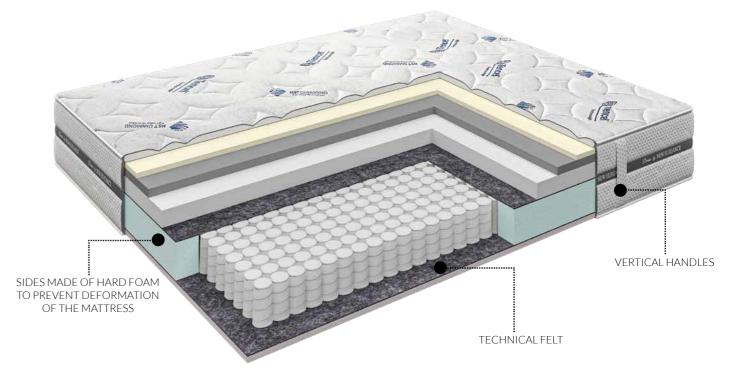

We have not forgotten about aesthetics. Thanks to the use of elegant fabrics, often additionally quilted with foam, decorative trimmings and tapes, our mattresses are distinguished by a unique design.

Choose your mattress from the colletcion Dream by New Elegance.

AVAILABLE SIZES: 80, 90, 140, 160, 180, 200 / 200cm

RELAX is a hybrid foam-spring mattress. A comfortable combination of properly selected highly elastic and thermoelastic foams and densely arranged pocket springs, each of which reacts separately to pressure, supports the body in many points and ensures a comfortable and healthy sleep also for couples of different weight. A thick, soft cover made of antibacterial Tencel fabric with blue patterns, quilted with soft highly elastic foam guarantees sleeping comfort and the highest hygiene. The entire mattress is trimmed with a gray decorative tape. The bottom of the cover is a breathable fabric with a fine pattern that provides additional ventilation. The model has vertical handles and a zipper that allows you to completely detach the top layer of the cover for washing.

SIESTA

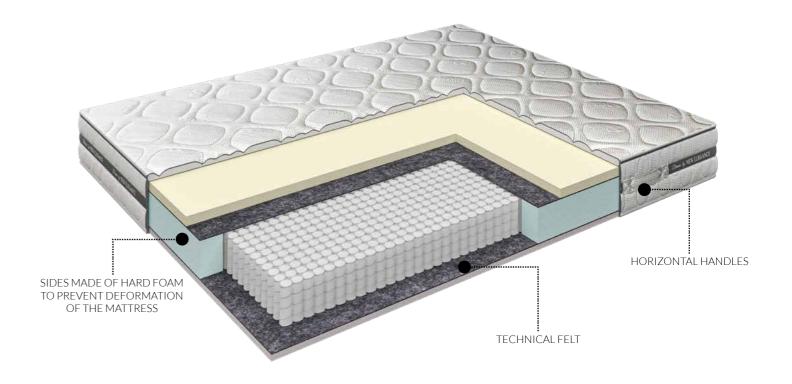

HEIGHT: 21 cm

AVAILABLE SIZES: 80, 90, 140, 160, 180, 200 / 200cm

SIESTA is a hybrid, medium-hard foam-spring mattress. The highest quality thermoelastic foam and very densely arranged multipocket pocket springs, each of which reacts separately to pressure, provide proper body support also for couples of different weights. A thick, soft cover quilted with highly elastic foam in a geometric pattern ensures maximum comfort. The model is decorated with a gray decorative trim and an elegant tape. The bottom of the cover made of gray breathable fabric with a fine pattern ensures proper ventilation. A zipper on each side allows the top layer of the cover to be completely detached for washing.

AVAILABLE SIZES: 80, 90, 140, 160, 180, 200 / 200cm

SERENITY is a hybrid, medium-hard foam-spring mattress that provides comfortable and healthy sleep for people with back problems. The latex layer reduces muscle tension and makes the mattress perfectly adapt to each sleeping person. Thanks to its unique construction, it is very resilient and makes it easier to get up. Also recommended for people with allergies. A thick, soft cover made of antibacterial Tencel fabric quilted with soft highly elastic foam guarantees a healthy and hygienic sleeping environment. The bottom of the cover made of gray breathable fabric with a fine pattern ensures proper ventilation. Model with gray decorative tape, equipped with vertical handles. Zipper for complete detachment of the top layer of the cover for washing.

AVAILABLE SIZES: 80, 90, 140, 160, 180, 200 / 200cm

ZEN is a modern, hard foam mattress for universal use. Made of specially profiled high-resilience foam with different hardness zones and delicate Supersoft thermoelastic foam. It guarantees adequate support for all parts of the body and comfort during sleep. Cover made of antibacterial Silver Guard fabric, quilted with 3-centimeter thermoelastic foam, trimmed with a decorative silver trim. The gray strip of breathable fabric on the sides of the mattress and the bottom of the 3D mesh cover will ensure the right sleeping climate. The model has a zipper that allows the cover to be divided into two parts for washing.

	Highly elastic foam	density 32kg/m3	16 cm	

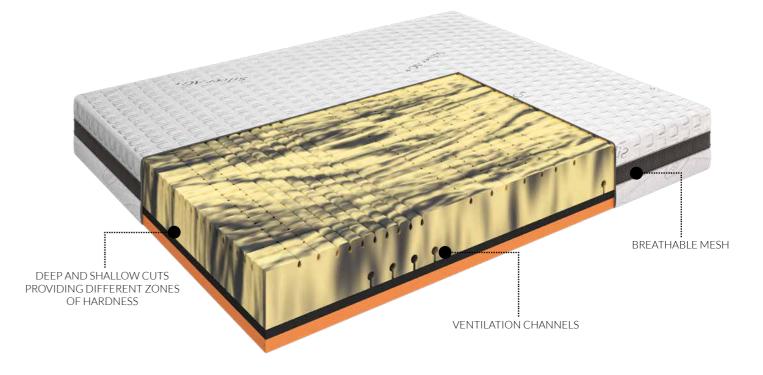

HEIGHT: 24 cm

AVAILABLE SIZES: 80, 90, 140, 160, 180, 200 / 200cm

CHILLOUT is a double-sided foam mattress, 24cm high, made of a specially selected combination of medium-hardness thermoelastic foam and two types of highly elastic foams with different hardness zones. The innovative structure of the Chillout mattress and the use of specialized foams guarantee adequate body support and ensure comfortable sleep also for people with a higher weight. The non-quilted cover made of antibacterial Silver AG Plus fabric allows specialized foams to work better, enhancing their flexibility and elasticity. The gray strip of breathable mesh on the sides of the mattress ensures proper sleep hygiene. The model is equipped with a zipper that allows the cover to be divided into two parts for washing.

AVAILABLE SIZES: 80, 90, 140, 160, 180, 200 / 200cm

CALM is a double-sided foam mattress made of two highly elastic foams of different hardness ensuring stable support. Double-sidedness of the mattress: medium-hard and hard side will enable healthy and comfortable sleep for people with a higher weight. For heavier people, the hard side of the mattress is especially recommended. Quilted, soft cover made of Lyocell fabric and an additional (3 cm) layer of Air Flou fiber will increase the comfort of sleep. The gray strip of breathable mesh on the sides of the mattress will ensure proper hygiene during sleep. Zipper to divide the cover into two parts for washing.
